

# SON OF KITE

## KITESURF & SUP SCHOOL AND SHOP

Assessed in August 2017 by  
[Mauritius Conscious Travel](#)

Offers only coral reef friendly sunscreen in their shop (with zink instead of chemical filter)

Consider the CO2 footprint on their distributed products: T-shirts & boardshorts produced in Mauritius; quality materials that can last longer.

Sells & promotes wetsuits made of geoprene fiber, produced out of limestone instead of petrol like conventional wetsuits.

One-to-one kitesurf sessions to lessen their impact on the environment and maximize safety and interaction

French professional degree (BP Kitesurfing), Keylendo: IKO level 2 and Qualified Instructor on Stand Up Paddle (IOSUP)
